Advance Your Future at New York's Top-Ranked Public University
Why Choose Stony Brook?

We Welcome International Students
Stony Brook attracts students from all over the world who want to accelerate their academic and professional success. A wide network of resources will help you feel at home right from the very start, and each Fall two first-year international students with a vision for enhancing intercultural understanding are awarded scholarships.

Top Rankings
We are an internationally recognized research institution and one of only four University Centers in the State University of New York (SUNY) system. QS World University Rankings places us among the top 1 percent of higher education institutions in the world; U.S. News & World Report ranks us one of the top 35 public institutions in the nation; and U.S. News’ Best Global Universities Rankings lists us as the top public university in New York state.

Top Teachers
Our award-winning faculty include Nobel Prize and Pulitzer Prize winners, MacArthur Fellows and Fields Medalists. C.N. Yang, professor emeritus of the C.N. Yang Institute for Theoretical Physics, was Stony Brook’s first Nobel Prize recipient. The MRI technology that won the Nobel Prize for Medicine was invented at Stony Brook. Here, you will learn from those who are generating the knowledge that is transforming the world.

*All charges subject to change without notice. Costs may vary, depending on the meal plan and housing selected.

Stony Brook is a highly selective institution, seeking to enroll those students who demonstrate the intellectual curiosity and academic ability to succeed. Freshman admission is based primarily upon the strength and breadth of the student’s academic preparatory program, grade point average and TOEFL, IELTS, SAT or ACT scores. Additional criteria include a letter of recommendation and an essay.

For information about our graduate programs, visit [grad.stonybrook.edu](http://grad.stonybrook.edu).

The Jeannie Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act requires institutions to give timely warnings of crimes that represent a threat to the safety of students or employees. In compliance with the Clery Act, Stony Brook University Police has completed its Annual Security Report. The report is available at storybrooke.edu/police/annual-security-report or a hard copy may be requested from the Office of the Chief of Police at (631) 632-6550 or the Department of Human Resources at (631) 632-6161. The Advisory Committee on Campus Safety and/or the University Police Department will provide upon request all campus crime statistics as reported to the United States Department of Education. The United States Department of Education website for campus crimes is ope.ed.gov/security.
Welcome to Stony Brook University, located on Long Island in New York State. The university is conveniently located 60 miles east of New York City, with a railroad stop on campus.

- **4 Season Climate**
- **3 Miles** From the Beach
- **60 Miles** East of NYC
- **Railroad Stop** on Campus

Stony Brook University offers a comprehensive range of academic programs and is home to the Brookhaven National Laboratory. The university is easily accessible via the Long Island Rail Road, with a stop on campus.
